

FARMLAND PRESERVATION IN HARRISON COUNTY, WV

**A VOLUNTARY PROGRAM THAT PROTECTS
FARMLAND FOR FUTURE GENERATIONS**

**We're here to help you plan for the future of
your land-through a conservation easement.**

A **conservation easement** is a flexible tool that enables land owners to permanently protect their property and agricultural soils through the sale or donation of development rights.

The property owner retains full use and ownership of the land.

Because an easement is perpetual, it conveys with the property when it is transferred, thereby
